

POLYSUPER TARPAULIN

Extra strong tarpaulins with corner reinforcement and UV-protection. Used to protect ground, furniture, machines etc. from weather & wind. Suitable when there are high demands on quality and durability. The sizes are given as "cut size," meaning the finished tarpaulin will be about 5% smaller after seams and folds.

Area of use

Protection from weather & wind

Material

Extra strong tarpaulin

Packaging

Cardboard

Recycling

Recycled as soft plastic or as incineration. The burning of the plastic forms only water and carbon dioxide. The energy that is extracted during the process can be used for example for warm-up.
