HDPE LINER BAGS, ON ROLLS

Liner bags for packaging e.g. food in cardboard boxes. The bags are made of thin high-density polyethylene that is pale blue colored for easier recognition. Packaged on roll.

Area of use

For transport of meat

Material

HD-polyethylene

Packaging

Convenient packaged on roll

Recycling

Recycled as soft plastic or as incineration. The burning of the plastic forms only water and carbon dioxide. The energy that is extracted during the process can be used for example for warm-up.

Food approved Sustainable Choice
