

POLYBLUE GARBAGE BAG

PolyBLUE is despite its name one of our greenest garbage bags, made from 100 % recollected and recycled polyethylene. PolyBLUE is branded with Der Blaue Engel - the first environmental certification in the world, founded in Germany in 1978. A certified great environmental choice. Suitable for normal waste.

Area of use

For normal waste

Material

100% re-collected and recycled LD - polyethylene. A non hazardous smell can remain in the product from the recycling process - a solid proof that you made an excellent environmental choice.

Packaging

On roll

Recycling

Recycled as soft plastic or incinerated. The energy extracted during incineration can be used for heating.

Der Blaue Engel

Sustainable Choice
