

# INSERT BAGS ON ROLL

Insert bags for packing e.g. food in cardboard boxes. The bags are made of thin, dense HD polyethylene which is colored blue for easier recognition.

## Area of use

Insert bag for charcuterie cartons and food packaging.

## Material

HD polyethylene

## Packaging

Packed on a roll

## Recycling

Recycled as soft plastic or incineration. During combustion, only water and carbon dioxide are formed. The energy extracted during the process can be used for e.g. heating.
