

BATH TUB LINER

Protection of bathtubs made from virgin low density polyethylene. Comes in a convenient dispenser box. Used primarily within healthcare for labor efficiency and improved hygiene.

Area of use

Within health care

Material

Virgin LD-polyeten

Packaging

In practical dispenser box

Recycling

Recycled as soft plastic or as incineration. The burning of the plastic forms only water and carbon dioxide. The energy that is extracted during the process can be used for example for warm-up.
