

TRANSPARENT GLOVE, SOFT

Transparent gloves made of virgin low density polyethylene. Packaged in practical dispenser boxes. The gloves are spacious in size. The different sizes have the same length, the greatest variation in the width of the wrist.

Area of use

Places of work with demands for staff protection

Material

Virgin LD-polyethylene

Packaging

Packaged in cartons

Recycling

Recycled as soft plastic or as incineration. The burning of the plastic forms only water and carbon dioxide. The energy that is extracted during the process can be used for example for warm-up.

 CE marked

 Food approved
