

POLYPRIMA REFUSE SACKS

Made of prima odorless density polyethylene. Suitable when demands for high quality standards and hygiene. For normal waste.

Area of use

For normal waste

Material

Odorless LD-polythelyne

Packaging

Packaged in rolls

Recycling

Recycled as soft plastic or as incineration. The burning of the plastic forms only water and carbon dioxide. The energy that is extracted during the process can be used for example for warm-up.
