

LINER BAGS HDPE

Tough and wear resistant liner bags made of LLD polyethylene. Produced from 100% new raw material and thus guaranteed odorless. LLD-bags are ideal for bins both including offices and in sterile environments. High quality requirements for food packaging diverse articles.

Area of use

HD-bags ideal for use in bins in e.g. offices and in sterile environments.

Material

HDPE-polyethylene

Packaging

Packaging in 10 rolls of 100 bags

Recycling

Recycled as soft plastic or incinerate. The energy that is extracted during incineration can be used for example for warm-up.
