

HDPE-BAGS, BLOCKED

Transparent PE-bags which are attached in a practical block to tear off one at a time. Manufactured in high-density polyethylene. Suitable for storing and freezing foods.

Area of use

Storage and freezing of foods

Material

HD-polyethylene

Packaging

Packaged in cardboard with 250 pcs

Recycling

Recycled as soft plastic or as incineration. The burning of the plastic forms only water and carbon dioxide. The energy that is extracted during the process can be used for example for warm-up.
