

LLDPE BAG FOR FREEZER AND STORAGE

Transparent, flat bags made of tough and durable LLD polyethylene for storage and freezing of foods. For heavier and rougher foods recommended a thicker bag, while a thinner is suitable for products that are lighter and have no sharp edges.

Area of use

Storage and freezing of food

Material

LLD-polyethylene

Packaging

Packing: 200 pcs/roll, no core 20 rolls/carton|

Recycling

Recycled as soft plastic or as incineration. The burning of the plastic forms only water and carbon dioxide. The energy that is extracted during the process can be used for example for warm-up.
