

STANDARD PLASTIC BAGS IN DISPENSER CARTON

Transparent plastic bags packed in a convenient dispenser box. Made of LLD polyethylene that is tough and durable. Ideal for freezing and storage of different foods. For heavier and edgier products we recommend a thicker bag, while a thinner is suitable for lighter products without sharp edges.

Area of use

Freezing and storage of food

Material

LLD-polyethylene

Packaging

Packaged in dispenser box for convenient use

Recycling

Recycled as soft plastic or as incineration. The burning of the plastic forms only water and carbon dioxide. The energy that is extracted during the process can be used for example for warm-up.
